

香港微創外科學會
HONG KONG SOCIETY OF MINIMAL ACCESS SURGERY
Internet: <http://www.hksmas.org>

Student Scholarship

<i>Target beneficiaries</i>	Medical schools of local universities
<i>Objectives</i>	<ol style="list-style-type: none">1) Enhance our profile within the academic circle locally.2) Reward the students with enthusiasm in minimal access surgery, whereby the awardees may gain satisfaction and recognition from their project work. On top of nominal gain, students may be able to show such record on their CV.3) Influence the general public and mass media through contributing to a worthwhile cause.
<i>Suggested format</i>	<p>Candidates are invited to submit their CVs to the assessment panel. They are required to plan a short stay from two to six weeks at a South East Asian country (including Mainland China) to gain real-life exposure to knowledge, techniques and facilities in the scope of Minimally Invasive Surgery. Candidates should hand in a proposal to detail the itinerary, purposed and deliverables about their excursion. Award-winning candidate(s) is/are expected to submit a report upon the trip.</p> <p>The award will be presented at the Annual Scientific Meeting. Report abstract will also be published in the Annual Scientific Meeting and HKSMAS Newsletter.</p>
<i>Financial commitment</i>	HK\$10,000-\$20,000 per person
<i>Number of awardees</i>	1 to 2 per year
<i>Time span</i>	The award will be given once a year for 5 consecutive years
<i>Year of commencement</i>	2011/12
